

Peace Christian School

Supply List for Grades 6-12

Updated June 2019

1. 1 zip up binder with dividers and pockets (3”).
2. Several packs of notebook paper.
3. Pens red and black or blue
4. Lead or mechanical pencils (#2)
5. Pencil erasers
6. Colored pencils
7. White out
8. 12” Ruler
9. Highlighters
10. A good geometry set
11. Calculator:
 - a. Grades 6-9: A general scientific calculator should be sufficient. Please make sure these calculators have a pi button, as well as buttons that allow you to compute exponents, square roots, and cube roots.
 - b. Grades 10-12: it is recommended that Students have a TI-83+, TI-84, or TI-84+ graphing calculator by Texas Instruments or some newer brand made by the same company. Other brands may be acceptable but more difficult to follow along as methods will vary.
12. Students in Mr. Arnesto’s classes will need a personal whiteboard (can be purchased at Dollarama)
13. Students in Workplace Math 11 & 12 and Pre-calculus Math 12 need graph paper
14. A personal flash drive.
15. Personal water bottle
16. PE gym strip and proper athletic shoes (please ensure clothes are modest)
17. **All students must have indoor shoes (non marking soles)**
18. Locks for lockers. This is optional, however if a student provides their own, they will need to give the combination to the Office Administrator.
